A Report on "Appify"- Event organized by App Development club

The App Development Club (ADC) hosted its first event, Appify, on 25th September 2024, introducing the club's achievements, future goals, and upcoming events. The event featured engaging activities like the musical quiz Tune Ka Tadka, a satirical act ADC Ka Khulasa, and a surprise musical performance. Appify was a successful and entertaining platform that highlighted ADC's creativity, fostered teamwork, and inspired networking among attendees.
