**Brief Report on Activity:**

The Coding Club hosted an incredible "Campus to Career" event on 7$^{th}$ Jan 2023 at C wing 1$^{st}$ floor. This event aimed to provide students and recent graduates with valuable insights and strategies for transitioning from campus life to a successful career in the tech industry. Our honorable speakers Mr. Roshan Somayajula, Mr. Ashwin Gupta. Mr. Kaushal Jha, Mr. Utkarsh Jain, Mr. Akshat Kotian, Mr. Aryan Sharma and Ms. Aditi Gupta shared their personal journey and provided valuable advice on building a fulfilling career in technology.
Attendees had the opportunity to ask their burning questions to the panelists, gaining practical insights and guidance. The event provided ample networking opportunities, allowing attendees to connect with both peers and professionals. This networking session was filled with meaningful conversations and the exchange of contact information.

The event drew a diverse crowd, including students from various academic backgrounds, recent graduates, and professionals from the tech industry. It was heartening to see such enthusiasm for career development and knowledge sharing. We received overwhelmingly positive feedback from attendees, who found the event to be informative, inspiring, and invaluable in their career journeys. Many expressed their gratitude for the practical tips and connections they gained.

The Coding Club will continue supporting students and recent graduates in their tech careers. We encourage attendees to stay connected with us and follow us on social media for updates on future events and resources.

**Event Photographs:**

**Program Objectives Addressed:**
PO 1: Engineering knowledge
PO 6:  The engineer and society
