Brief Report on Activity	<p>A cultural festival provides a platform for individuals to express their opinions on broader topics while also showcasing their skills. Protsahan, an event organized by NMIMS Shirpur campus students, features a diverse array of artistic talents exhibited by its students, making it a vibrant celebration of creativity and expression. This festival has earned its place as one of the biggest and most popular cultural festivals and is a must-awaited fest in the college's festive calendar. The festival's grandeur, scale, and energy attract students, faculty, and staff from the college, making it a vibrant and inclusive celebration of culture.</p> <p>The festival encompasses various events such as music and dance performances, drama and theatre performances, art exhibitions, and competitions. Some of the most popular events that attract a massive audience include the Battle of Bands, Dance Face-Off, and Fashion Show.</p> <p>This year's theme centred around the captivating concept of "Pop Culture," which encapsulates a wide array of cultural phenomena, including dominant trends, fashionable styles, and iconic figures that hold sway over the general populace. "Pop Culture" reflects the ongoing evolution of our collective consciousness and is synonymous with the pulse of society. It is a potent force that shapes our attitudes, values, and beliefs, as well as the way we express ourselves through music, fashion, art, and other creative mediums. Essentially, the "Pop Culture" theme celebrates the power of the people and the magic of the moment.</p>
