## Smart India Hackathon- 2024: TIPS and Strategies for Success

The event took place on September 6, 2024, from 5:00 PM to 6:00 PM. All participating teams from the Smart India Hackathon were in attendance. The session began with an introduction to Dr. Atul Dusane, the mentor of the winning teams from SIH 22 and 23. Dr. Dusane shared his experiences, offered tips and strategies for success, and addressed all student queries. This event was organized by the students of the Learn Tech Club in collaboration with the Institution's Innovation Council (IIC).
