## The learning experience

- Improving both verbal and non-verbal communication skills.

- Exposure to different social issues.

“The best way to  
find yourself is to  
lose yourself in  
the service of  
others.”

- Mahatma Gandhi

The image features a central text element surrounded by a decorative border of watercolor-style leaves. The leaves are rendered in various shades of light blue and green, with visible vein patterns and soft, blended edges. They are positioned in the corners and along the sides of the frame, creating a natural, organic border around the central text.

THANK YOU!
