

1. Library Committee

SVKM's NMIMS MPSTME Shirpur has a library with a state-of-the-art facility. The library is very spacious and caters to various areas for study with books, journals, bulletins, and magazines. Several compartments are in our library, which will provide a peaceful and favorable environment for the study. Sufficient numbers of tables and chairs are made available in the library for reading. Separate racks contain various books and volumes with respect to every subject. Staff from the library will take care of all the books and their volumes for regular issues and returns. Regular monitoring regarding the rebinding of the books will be done if required so as to maintain them properly.

Table: 10.1.4c. Library and Academic Resource Committee (LARC) – 2023-24

Sr. No.	Name	Position	Designation

Vision : Play a distinct role in providing excellence in engineering and management education thereby creating human resources of value to industry and society both at national and international level.

The duties of the committee shall be as follows:

- To provide for proper organisation and functioning of the library, documentation services, and updating the stock of books.
- To provide for proper modernization and improvement of library and documentation services.
- To recommend to the Board of Management library fees and other charges for the use of library services by students and others.
- To prepare the annual budget and proposals for the development of the library.
- To submit to the Board of Management the annual report on the functioning of the library.
- To prepare the annual budget of the library.
- To allocate the budget to the colleges and departments.
- To establish an intra-library loan service for the benefit of the faculty and the students.
- To procure books and journals, including e-journals and online journals.
- To consider the views of library users for improved library services.

Vision : Play a distinct role in providing excellence in engineering and management education thereby creating human resources of value to industry and society both at national and international level.
