

News: Ambiora'26 Celebrates Innovation and Technical Excellence at MPSTME Shirpur

NMIMS, Mukesh Patel School of Technology Management & Engineering (MPSTME), Shirpur, successfully organized Ambiora'26, its annual technical fest, from 8th March to 10th March 2026. The three-day event brought together students from the campus to participate in a range of exciting competitions and activities, providing a platform to showcase their innovation, creativity, and technical skills.

Ambiora'26 included exciting events such as Robo Competition, Deepfake Hisense, Pitch Your Own App, Code Relay, Tech Arena (E-Sports), Type Racing, CineTech, Tower of Stability, and Treasure Hunt. The Techfest also organized a Robotics Workshop, which gave students practical learning and hands-on experience. In addition, the major events of the techfest, 24-Hour Hackathon and Drone O Mania, received enthusiastic participation and gave students a platform to showcase their innovative ideas and technical skills.

The Techfest received an enthusiastic response, with 483 students actively participating in various events. Events like Drone O Mania, Hackathon 24 Hours, and the Robotics Workshop followed by the Robo Competition saw participation from students of other engineering colleges, which brought more diversity and added to the competitive spirit of the event.

Ambiora'26 provided an excellent platform for students to demonstrate their technical knowledge, creativity, and teamwork. The event created a great environment for learning, teamwork, and innovation, making it a memorable and enriching experience for both the participants and the organizers.
